Capstone Project Video 1 of Talha Nadeem BCSF16M047
BCS7thReg

talha nadeem • 4 views • 1 week ago

This Video Represents the Value of Ecommerce (Trading System) in Market , & System) is aimed to be ...

NOTE: DEADLINE IS 6th January, 2020 till 11:59PM, ON LINE / SOFT FORM SUBMISSION TO NOMINATED CLASS STUDENT.

1. DON'T CREATE EMPTY FOLDERS. IN CASE YOU DON'T WANT TO SUBMIT VIDEO THEN DON'T CREATE VIDEO FOLDER IN YOUR PROJECT FOLDER.

2. Every group must use his/her aesthetics to create a professional project manual. Screen shots should be from the real software that you have developed up till now.

3. Cheating will not be tolerated at all. Cheater and Cheatee both will get straight away F in Capstone 1 or in Semester as per UOS exam rules. Turnitin findings in case of documentation and Instructors finding in case of code plagiarism would be final.
